

Skylotec ARG 30 General Purpose Harness

Brand: Skylotec
Code: C6428

\$137.00 +GST \$157.55 incl. GST

Description

Skylotec ARG 30 General Purpose Harness

The Skylotec ARG 30 is a full-body harness and is a great all-rounder for maintenance and construction work. It is light, uncomplicated and provides maximum safety. The adjustable buckles in the shoulder and leg areas mean that the ARG 30 can be quickly put on, taken off and adjusted. The harness belt cannot slip while the harness is being worn and sits compactly against the body even in cases of head-first falls. The central chest eyelet, made of steel, meets the EN 361 standard and is suitable as a fall-arrest eyelet.

Features

- Dorsal attachment point and sternal attachment point
- One size fits most (waist size 800 - 1100mm)
- Webbing material made from polyester
- Attachment points made from steel
- Complies with EN 361:2002
