

Skylotec Sirro 2 Lightest General Purpose Harness

Brand: Skylotec
Code: C5736

\$489.00 +GST \$562.35 incl. GST

Description

Skylotec Sirro 2 Lightest General Purpose Harness

When you are looking for an extremely low-weight full-body harness without compromising on wearing comfort the SIRRO 2 is for you. It has two fastening points: a rear fastening eyelet and a front fastening loop. SIRRO 2 is an ideal full-body harness for all working situations where holding eyelets are not needed and low-weight comfort is valuable.
