Description

Easy Access Trade Series Fibreglass Adjustastep Telescopic Platform Ladder 4-7 Step 1.2-2.1m

Ideal electricians ladder!

We have designed a Fibreglass Platform Ladder that is height adjustable – a truly unique product that means one ladder can be used for the majority of the height access jobs facing electricians while reducing the risk of an electric shock.

- Electrically safe Non conductive fibreglass stiles
- Height adjustable for working off a large safe platform at variable heights in seconds
- Adjust stiles independently for use on uneven ground
- Built in handrail provides 3 points of contact for further safety
- Rated to 150Kg for industrial applications
- One-piece, smooth operation – simply folds flat and locks
- Can be fitted with accessories – tool bucket and full surround handrail
- Smooth one-piece fold flat for easy storage and transportation
- Complies to AS/NZS 1892 : 2018
- Large rubber feet for stable grip and hard wearing
- Replacement feet available
