

Ladder Stand Off Bracket

Brand: Easy Access
Code: C3307

\$294.78 +GST \$339.00 incl. GST

Description

Ladder Stand Off Bracket

Aluminium Ladder Stand Off Bracket to be used with Telescopic Ladders or Extension Ladders when in extended position. Universal lock means the bracket can be used on a variety of ladder brands. Keeps the ladder further from the surface the ladder is against to give more space for the user. Useful for spanning over obstacles like downpipes, windows and other uneven obstacles. Can be used against the fascia to protect the gutter from damage. Grippy, heavy duty rubber feet
