

Festool CTM 15L Midi M-Class Vacuum

Brand: Festool
Code: C2115-M

\$1,052.65 +GST \$1,210.55 incl. GST

Description

Festool CTM 15L Midi M-Class Vacuum

The Festool CTM MIDI extractor is the ideal companion for assembly, installation or renovation work. Compact and lightweight, it's clever flat filter design maximises the volume of dust that can be held while maintaining high suction power, making it perfect for final onsite cleaning of dust or liquids. The adjustable suction efficiently removes all dust produced with sawing, sanding and routing work, and the switch on/shut off function allows the extractor to turn on and off automatically. The CTM MIDI provides simpler connection with the SYS T-LOC system. Features sophisticated details such as the touch control concept, internal hose garage and cleverly designed cable winding mechanism. Includes integrated Bluetooth® technology.

Specifications

Power Consumption	350W - 1200W
Maximum Airflow	3700l/min
Maximum Vacuum	24000Pa
Filter Surface Area	3369cm ²
Container/Filter Bag Capacity	15L wet / 12.5L dry capacity
