

Festool LHS 2 225 Planex Drywall Sander + CT 36 AC Dust Extractor Set

Brand: Festool
Code: C2120-2

\$4,413.45 +GST \$5,075.47 incl. GST

Description

Festool LHS 2 225 Planex Drywall Sander + CT36AC Dust Extractor Set

The new generation PLANEX long-reach sander is revolutionising drywall construction – with LED light and eccentric movement. The all round LED light ring works like a built in grazing light and reveals any unevenness during sanding. The eccentric sanding motion produces outstanding surface quality – without any expensive reworking. The adjustable suction power, variable working length and clever T-handle ensure ergonomic work on walls and ceilings – making the tool easy to control, even during long periods of operation.

- Sanding with integrated light: all-round LED light ring to reveal unevenness
- Easier work: adjustable suction power to relieve the strain on the arms and back; the PLANEX holds its own weight against walls and ceilings
- Individual adjustment: variable working length – up to two extensions can be added
- Reach further with less weight: ergonomic T-handle for greater range with shorter machine
- Neat and tidy: safe and space saving transport in the Systainer SYS3 XXL
- Zero maintenance and durable: the brushless EC motor is extremely robust, long lasting and maintenance free
- Digital extension: Festool Work App connection for additional functions such as individual control of the LED light ring and tutorials for tool operation and much more
- Eccentric sanding motion for scratch-free surface quality
