Description

Graco Ultra Corded Airless Handheld

Waterbased material compatible only (see the Ultra Max for oil/solvent compatibility)

The pros agree. Airless handheld sprayers are the essential tool for turning small jobs around fast. Industry-tested Graco Ultra handhelds are the most advanced in the world, delivering unbeatable speed, flawless finish, and next-use reliability.

Ultra airless handheld sprayers are designed specifically for small interior, exterior and specialty projects. The true advantages of the Ultra handheld sprayers are the Perfect Airless Finish, ultimate portability on the job, and that it is ready to spray in seconds. Painting contractors can easily spray those small jobs without having to start-up their larger airless sprayer.
