

Graco FinishPro 2 595 Air-Assisted Airless Sprayer Unit

Brand: Graco
Code: C2347

\$8,090.00 +GST \$9,303.50 incl. GST

Description

Graco FinishPro 2 595 Air-Assisted Airless Spray Unit

Ideal for commercial or industrial jobs, the FinishPro II 595 PC Pro is the highest performing air-assisted airless sprayer. Finish larger jobs faster with more features and higher flow for more productivity. Easily switch between airless and air-assisted modes for simple jobsite operation.

With the FinishPro II 595 PC Pro, you're getting the benefit of two sprayers in one. Easily switch between air-assisted to airless spraying modes with the flip of a switch for the ultimate in application versatility and efficiency to complete jobs faster than ever before.

- **BlueLink Job & Sprayer Management System**

- Streamline your business
- Track every sprayer: Exact location & hourly productivity
- Know job progress: On demand productivity facts and reporting from anywhere
- Maximize uptime: Set maintenance schedules, alerts, & jobsite notes

- **SmartControl 3.0**

- Increased spray consistency
- Delivers a consistent spray fan without pressure fluctuation
- Ideal for low pressure tips for fine finish work and low overspray applications

- **FastFlush System**

- More spraying & less cleaning

Product Specification

<https://colorex.co.nz/shop/products/machinery/graco-airless-sprayers/hi-boy-mobile-units/graco-finishpro-2-595-air-assisted-airless-spray-unit/>

- Clean the pump 4X faster
- High-velocity fluid flow delivered with higher motor speed
- **SmartComp**
 - Superior finish & long-life
 - Gun trigger-activated compressor — it's only running when you're spraying!
 - Instant air to the gun with zero lag
 - Reduces jobsite noise, resulting in less fatigue
 - Reduces moisture entering the system and extends compressor life
- **Chromex Endurance Piston Pump**
 - The most reliable pump
 - Lasts 2X Longer than the next leading brand
 - Repack the pump in minutes with the QuikPak Cartridge System
 - Faster cleaning with the QuikAccess intake foot valve
- **ProConnect Pump Replacement System**
 - Eliminate costly downtime
 - Exchange pump in minutes
 - Pin-less design needs no tools
- **High-Output On-Board Air Compressor**
 - Ideal for on-site finish jobs
 - Delivers 3.2 ft³/min at 35 psi (0.1 m³/min at 2.4 bar)—enough air to break up the heaviest of materials
 - Exclusive Pressure Unloader results in quieter operation
 - Cooling coil reduces air temperature, extending the life of the critical components and providing safer operator handling
- **G40 Air-Assisted Airless Spray Gun**
 - Premier performance
 - Industrial-grade quality delivers superior finishing results
 - Integrated air valve improves gun handling
- **Contractor PC Airless Spray Gun**
 - All-day comfort and control
 - Lightest weight gun in its class
 - Up to 50% lighter trigger pull force
 - E-Z Fit adjustable trigger length
 - Complete gun rebuild in second with ProConnect
- **Super-Flex Hose**
 - Increased flexibility & maneuverability
 - Enables you to work in tight spaces and to deliver the best finish quality
 - Extremely lightweight, reducing fatigue
 - Reduced material buildup and increased durability with Flex Wrap hose skin
