

Marquip Compressor 16 2kW with Filter/Reg and QD Coupler

Brand: Marquip
Code: C3875

\$2,298.00 +GST \$2,642.70 incl. GST

Description

Marquip Compressor 16 2kW with Filter/Reg and QD Coupler

Marquip compressors have been the gold-standard in quality industrial compressors for many years. Assembled right here in New Zealand.

“DC” Dual Control version which features:

- Automatic STOP/START pressure switch (PS) control and automatic free-running air governor (AG) control
- Depending on compressor use and duty the best method of operating can be chosen to suit the job
- Heavy duty cast iron pump has cast iron cylinders, air cooled by a large fan-type flywheel. German made pressure switch, Italian check valves, Vibration resistant liquid filled gauges
- Efficient air intake filters reduce noise and low revving speed extends pump life

Specifications

Air receiver	50 litres
---------------------	-----------

Product Specification

<https://colorex.co.nz/shop/products/machinery/compressors/marquip-compressor-16-2kw-with-filter-reg-and-qd-coupler/>

Fad	300 lpm
Air displacement	445 lpm / 15.7 cfm
Max. pressure	9.4 bar / 135 psi
Power	2.0 KW/ 2.7 HP
Pump	TA65
Dimensions (L x W x H)	110 x 40 x 80 cm
Weight	81 kg
Drive-type	Belt-driven
