Numatic Twin Motor Wet & Dry Vacuum Cleaner 40L WVD900-2

Brand: Numatic
Code: C5510

$2,248.00 +GST $2,585.20 incl. GST

Description

Numatic Twin Motor Wet & Dry 40L WVD900-2

Best-in-class industrial Wet & Dry vacuum cleaner!

The professional 900 embodies in a single machine 15 years experience in supplying the commercial market from one corner of the globe to the other. The standard 900 series in design, construction and performance is simply something that must be experienced to be believed. The full Structofoam construction alone sets it apart from all the others, but couple this to the unique multipurpose tipper system for emptying, and you have a truly simple machine that could be used anywhere by anybody and emptied quickly and easily, be it in floor drain or WC. The power and performance to the full Twinflo' specification is exceptional and there is a choice of one or two-motored models, both of which include the Nucable replaceable cable system as standard. The 38mm accessory kit compliments the machine in every way with long hoses, stainless steel tube sets and both wet and dry Structofoam 400mm floor nozzles, everything necessary is supplied.

Features

- Wet or dry with professional results in either mode
- Professional accessories provided for both wet and dry use
- Heavy duty Structofoam used in both head and body construction
- Nucable power cable system can be replaced without the need for an electrical engineer
- Quick, clean and simple to empty. The 900's are equipped with a unique tipper handle
- Longlife powerful and professional TwinFlo bypass motor
