\$451.30 +GST \$519.00 incl. GST

Description

PacVac Superpro 700 Backpack Vacuum

The most popular of Pacvac's backpack range, the Superpro 700 encompasses the perfect balance of comfort, durability and efficiency, making this machine the number one choice for everyday commercial cleaning. The Superpro 700 is specifically designed for Airports, Commercial Premises, Department Stores, Offices, Resorts, Schools, Showrooms, Surgeries and Theatres.

Pacvac prides itself on ensuring all products are produced to comply with the highest health and safety regulations. The Superpro 700 is manufactured in full compliance with electrical and filtration standards, being Australian and International Standard IEC 60335-2-2.

The Superpro 700 is also accepted by the Carpet Rug Institute, Chiropractors' Association of Australia, Health and Safety Matters Pty Ltd and many other Occupational Health and Safety organisations.

- Ametek 1000 Watt 2 stage motor
- Hypercone™ Activeair filtration
