

Starmix Drywall Dust Extractor NSG 35L Metal NSGADL1435EHP

Brand: Starmix
Code: C2145

\$825.00 NZD +GST

Starmix Drywall Dust Extractor NSG 35L Metal NSGADL1435EHP

This vacuum is a replacement for the Intex Starmix HSA1430EH Drywall Vacuum.

The Starmix NSG uClean Dust Extractor has been specially developed for vacuuming paint and plaster dust away directly from wall sanders and other paint and plaster sanding machines.

These machines are perfectly suited for continual daily use in the tough professional conditions on the building site by the trade or in industrial applications.

HEPA filters are available for use in hazardous dust applications, eg: lead-based paint removal.

Upgrades from HSA1430EH

- Hose storage - simple wrap and lock for easy transport
- Dust down function - 215km/h blowing with hose port on reverse
- Canvas rimmed pre-filter to eliminate whistling
- Volume flow increase - from 61 litres/second to 69 litres/second
- Vacuum pressure increase - from 248mbar to 259mbar
- 1400 watt motor (up from 1200 watt)
- 35 litre canister (up from 30 litre)
- Stepless speed control (from 2 stage speed control)

Other Features

Product Specification
