Description

Stolzenberg TW800 Twinner Manual Floor Sweeper 800mm

Twinner 800 is designed to be light, fast and manoeuvrable and easy to use and can pick up metal shavings, nails, paper, leaves or beverage tins. This model comes as standard with two lateral brushes, two internal brooms and large wheels, mounted at the back on ball bearings, always moving in the swept area. When it is pulled backwards, the sweeping rollers and lateral brushes are raised to prevent spread of upswept debris, and after having finished using it the Twinner can be folded up and stored in very small spaces!

- 800mm Sweep Width
- Manual Operation
- 40L Hopper
- 2 Side Brooms

Product of Germany.
