

Festool CTM36 Vacuum Dust Extractor

Brand: Festool
Code: C4073-M

\$1,626.55 +GST \$1,870.53 incl. GST

Description

Festool CTM36 Vacuum Dust Extractor

- Guarantees efficient dust and chip extraction, extremely important for sawing, sanding or routing work on site or in the workshop
- Compact and lightweight
- Clever flat filter design maximises the volume of dust that can be held while maintaining high suction power
- Suction power is adjustable and the switch on/shut off function allows the extractor to turn on automatically when required and turn off when not
- Approved for dust class M
- With the option of fitting air modules, Festool's CTM 36 with HEPA promises healthy, dust free working conditions at every job

Festool dust extractors are fitted with a circuit breaker for safety when a connected load of 1200 watts is exceeded. Some tools that draw higher wattage can trigger the circuit breaker and if initiated requires the reset button above the socket to be pushed in and reset. When requiring to use larger wattage tools with dust extraction it is recommended the tool is operated off a separate outlet and a Bluetooth system can then be used to switch the dust extractor on and off as required. When using tools it is recommended you always use the correct consumable for best results as even lower wattage tools can trip the circuit breaker if the system isn't matched to the application. (e.g.: saw blade not matched to material)

Product Specification

<https://colorex.co.nz/shop/products/machinery/vacuum-cleaners/festool-ctm36-vacuum-dust-extractor/>

Specifications

Dimensions	630 x 365 x 596mm
Container capacity	36L
Filter bag capacity	34L
Filter surface area	6318 cm ²
Maximum vacuum	24,000Pa
Maximum airflow	3900 l/min
Power Consumption	350 - 1200W
Dust Approval Rating	L-Class
Cable Length	7.5m
Maximum Wattage of Tool Connected	2400W
Weight	14.4kg

What's Included

Qty	Description	Code
1	CT36 Dust Extractor	574936
1	Self cleaning filter bag	
1	Floor nozzle set 27mm/36mm	
1	Plastic tube set 36mm	
1	SYS-Dock with T-Loc function	
1	HEPA filter	
1	Antistatic smooth suction hose 27mm x 3.5mm	
1	Plastic Curved Hand Tube	
1	Integrated hose garage	
1	Cable Wrap	
1	Tool manual
