\$1,095.00 +GST \$1,259.25 incl. GST

Description

Nilfisk AERO 26-W2M PC M-Class Wet & Dry Vacuum Cleaner

The ultimate vacuum for workshops and light industry with new Bluetooth remote functionality and M-Class filtration.

The new AERO SAFETY takes compact vacuum cleaners to another level, so you can enjoy premium performance, enhanced usability, and improved safety. From independent workshops to light industry – a versatile vacuuming solution is a must to ensure your safety on the job. That's why we've upped our game with the latest members of the AERO family. We've kept the compact versatility you love and added more premium features to make your working life easier and safer.

Furthermore, throughout the series, a state-of-the-art system that measures airflow lets you know if you need to clean the filter. Truly unique is the AERO SAFETY's AutoSense feature, which automatically detects when you start using your power tool thanks to a Bluetooth remote control mounted on the vacuum hose. Optimized from the bottom up to be more manoeuvrable, easier to use and most of all safe, this is a compact vacuum cleaner that has the intelligence to work with you.
