### Description

Numatic Economy ProSave Vacuum Cleaner 8L VNP180

The Economy ProSave has the high performance Twinflo two-stage vacuum motor turbine linked to the AutoSave energy conservation system. This allows the machine to operate automatically at the 600W Eco setting or at the 1200W high performance setting as required.

These vacuums incorporate a unique cable tidy and plugged mains cable system which extends cable life, increases convenience and allows for simple cable replacements. The ProSave range use the HepaFlo high efficiency bags which enhances performance and provides quick, convenient and clean emptying when full.

### Features

- Innovative cable tidy system
- Carry handle designed to accommodate wand system on top for single handed carrying
- HepaFlo filtration system

### Specifications

**Airflow**
