Description

Numatic RSV150H HEPA RucSac BackPack Vacuum Cleaner

Compact, comfortable and convenient, the RSV150 goes wherever you go, making it the perfect cleaning solution for tight and awkward cleaning.

Providing an extra-long 15m cable and generous 5L dust capacity, there's less stopping to unplug and empty and more time to get the job done. Easily switch between carpets and hard-floors with the high-performance Combi Floor Tool and tackle hard-to-reach areas with the precision cleaning kit.

Ergonomically designed with easy-adjust, posture-correcting harness, breathable mesh panel, handy tool storage and simple, integrated hand control, the RSV150 provides optimum user-comfort, ensuring less stretching, bending down, twisting and full control at all times.

A tool for every job, always on hand and packs neatly away, with professional and versatile AA30E accessory kit.

Advanced HEPA13 Filtration

The RSV150 HEPA delivers a certified HEPA13 standard of filtration down to 0.3microns at 99.97% efficiency.
