Zipwall Tight-Seal Foam Rails 2 Pack FR2

Brand: Zipwall
Code: C2928

$159.90 +GST $183.89 incl. GST

Description

Zipwall Tight-Seal Foam Rails 2 Pack FR2

Use Foam Rail™ crossbars with any of our SLP poles or our Side Clamps.

What's included

- 2 x 1.2m Tight-Seal Rail Crossbars
- 2 x T-clips.

Foam Rail™ crossbars were designed to work with all ZipWall® spring loaded poles and are sold 2 per pack. The included T-Clip is used to mount the poles at the centre of the Foam Rail. The Foam Rail crossbars were not designed to hold up the plastic sheeting. They push the plastic or barrier material against the ceiling after the barrier has been built using ZipWall® poles placed up to to 3m apart. They can also be used with Side Clamps to push the plastic against the wall. This makes an incredibly secure and tightly sealed barrier without tape.
