### Rota Cota Excel 2 Oval Paint Brush

Rota Cota Excel 2 Oval Brush is for use with Acrylic/Enamel paints.

- Smooth paint lay off and filaments that hold their shape
- Easy to clean
- Heat treated for memory retention to stop the flaring of filaments
- Comes in 50mm, 63mm, 75mm, 88mm

This brush range utilizes DuPont Filament Technology combined with syntec processing technology. This technology combines heat and chemical processing of the filaments to enable optimal paint pick up and release as well as the smoothest paint finish! This processing technology enables the filaments to be easily cleaned and is exclusive to the Excel range.
