Haydn Premium Roller Frame

Brand: Haydn

Options

Code	Description	Price
C1836-23	230mm	$4.90
C1836-27	270mm	$5.90

Description

Haydn Premium Roller Frame

The Haydn® Premium Roller Frame is made with a durable nylon cage which is reinforced with fibreglass and comes complete with end caps. The chrome plated shaft is set at a 90° angle and finished with an ergonomically designed handle with a universal thread to fit all standard extension poles. Smooth rolling bearings eliminate wear ensuring it is a long-lasting roller frame. One of our favourite features of this handle is the quick release retaining spring that prevents roller slippage but also allows for a one-tap removal. Simply bang the shaft on the edge of a sturdy bucket and the sleeve will come off. This eliminates mess and the need to grab hold of a paint laden roller.

Suitable for

- Use with any suitable sized Haydn roller sleeve

Features

- Allows handsfree removal
- Remove roller with one firm tap
- Universal thread
- Chrome plated shaft
