## Description

Two Fussy Blokes Microfibre Roller Sleeves 230 x 10mm Nap Semi-Smooth (3 Pack)

## When Nothing But The Best Will Do!

The mid-sized nap in our microfibre range, the 10mm big rollers come in 230mm, 270mm, and 360mm lengths to suit a variety of painting jobs. This is the most versatile of our rollers, offering excellent paint pick-up, finish, and release. Able to be used with all water-based paints, the 10mm-nap big roller is commonly used to achieve a top-of-the-line finish on medium- to large-sized surfaces such as walls and ceilings.
