Brand: Zinsser

Options

Code	Description	Price
C1316-1	1L Tin	$53.20
C1316-3	3.75L Tin	$116.35

Description

Zinsser Smart Prime

Benefits of water – Performance of Oil!

A revolution in water base technology, Smart Prime is an all-purpose, all surface water based interior/exterior primer that has all the performance characteristics of an oil based primer.

Developed for professional and commercial applications where an ultimate performance low odour and low VOC primer is required. This advanced technology combines dependable stain blocking power with fast dry convenience, exceptional flow and leveling and outstanding adhesion to glossy surfaces.

Dried film is mould and mildew resistant.

- Priming – Use on bare or painted surfaces including wood, drywall, cured plaster, concrete, stucco and masonry, aluminium, vinyl, galvanised metal and PVC. Outstanding adhesion to dense, glossy surfaces; enamel paints and varnishes, laminates and ceramic tile-without sanding or de-glossing
- Sealing – Proprietary blend of resins penetrate deeply to seal porous surfaces providing a smooth and even finish. Helps bind chalky siding and trim
- Stain Blocking – Blocks stains from water, smoke, cedar or redwood bleed, grease, handprints, asphalt, crayon, graffiti and rust stains

Technical Data

Colorex Ltd
