Description

Gib Plus 4 Compound

GIB Plus 4® is a ready-mixed air drying compound incorporating excellent taping and finishing properties in a single light weight compound that can be used straight from the pail for most applications.

GIB Plus 4® combines high levels of binder and sanding aids to ensure that the compound has excellent strength and adhesion to many substrates, while remaining sandable.

Applications:

- Suitable for taping and finishing joints
- Not suitable for holes and gaps greater than 4mm wide or 1mm deep
- Can be used over painted substrates with appropriate preparation
- Recommended by Winstone Wallboards Ltd for hand applied skim coats

Features:

- In conjunction with paper tape provides excellent joint strength
- Easily sandable
- Can be used for skim coating
- Available in a 4L, 10L and 15L pail
