Code: C2304

\$2,279.00 +GST \$2,620.85 incl. GST

Description

Graco PowerFill 3.5 Pro Cordless Plaster Loading Pump

Introducing the industry's first cordless powered loading pump for drywall mud. Designed to fill all automatic taping and finishing tools. PowerFill totally eliminates the need to manually pump. Now you can quickly fill with just the push of a button.

Never Hand Pump Again. Single-button pumping eliminates fatigue and injury associated with manual pumping. Pumps up to 3.5 gpm for lightning-fast filling and up to 55 gallons on a single battery charge for all-day filling. Programmable to refill tools automatically with Precision Fill.

- **SmartControl Pro with Programmable Precision Fill**

- One button pumping totally eliminates fatigue and injury
- Automatic Precision-Fill Technology allows automatic refill of tools to your preset level
- Hands-free Continuous Run mode is perfect for transferring large quantities of material or self-cleaning

- **Hi-Rise Fill Tube**

- Allows standing upright while filling tools — protecting your back while eliminating fatigue
- Tube rotates to position the outlet where you want — including above bucket to save space and contain drips
- Includes filler attachments for angle and flat boxes

- **Powerstroke Pump**

- 4X life vs manual pumps
- Up to 3.5 gpm for the fastest tool fills
