Description

Intex Internal Corner Finisher

Attaches to Corner Applicator Finishing Boxes or Compound Tubes distributes compound evenly in corners after the Roller Corner process, feathering both sides in one pass. Built TradeTuff® handmade with USA billet aluminium and steel components. Features precision set carbide blades and durable stainless steel wings. Spring-loaded action finished corners slightly over or under 90 degrees, 5-year warranty. Also used to wipe down excess compound after the tape is rolled into a corner.
