C7231	600mm	$207.35

Description

Intex Drywall Skimmer

Revolutionary finishing trowel system, designed to increase meterage output and enhance quality of finish, whilst significantly reducing harmful effects of fatigue and repetitive strain injury(RDI). Manufactured with ultra-highest grade INOX German stainless steel, the extremely flexible blade and precise fulcrum point allow up to ten times more contact area with the surface, resulting in extremely smooth surfaces. Ergonomic handle design exerts pressure on blade without finger pressure or wrist strain. rounded edges and tangential angles provide a practically groove-less filling surface. Well suited for filling large surfaces with reduced loss of material. Operated with one or two hands and with or without telescopic handle. Includes blade protector guard.
