Description

Intex Hi-Stride Aluminium Single Pole Plasterers Stilts

Built TradeTuff® with structural aluminium. Telescopic height adjusts to suit wearers height. Pivoting soles provide steady balance with dimpled, rubberised foot pads for traction. Features unique foot and leg adjustments to suit the individual size and walking styles. Durable straps with metal buckles securely hold wearers feet and legs in place, ensuring a secure and comfortable fit.

- Size medium is up to 750mm
- Size large is up to 1000mm
