

Intex Nail Spotter 2" 75mm

Brand: Intex
Code: C7337

\$739.70 +GST \$850.66 incl. GST

Description

Intex Nail Spotter 2" 75mm

Fills nail and screw indentations with the correct amount of compound. Typically the 2" is used for the first coat and the 3" for the second coat. Built TradeTuff® handmade with USA billet aluminium and steel components. Rubber O-Ring roller wheels provide a soft ride. Our Spotter features adjustable thumb-wheel for adjusting swivel tension. Hinged door with no spring operation ensures ultimate cleaning efficiency. Loads compound via the Compound Tube or Loading Pump with Nozzle Attachment. 5-year warranty. Can be used with fixed or extendable handles.
