Description

Festool TXS 10.8V Mini Cordless Drill 2.6Ah Set in Systainer

Features

Light and still amazingly strong. The 10.8V TXS cordless drill with classic T shape impresses on account of its exceptional torque which works powerfully, even in hard-to-reach places. The extremely compact design and even weight distribution make it ideal for overhead work. And its long-lasting lithium-ion battery packs with charge state indicator, CENTROTEC quick-change system and twelve-stage torque adjustment and cut-out make it perfect for professional use.
