Festool Cordless Oscillator Multitool VECTURO OSC 18v Li E-Basic

Brand: Festool
Code: C4581

$723.70 +GST $832.26 incl. GST

Description

Festool Cordless Oscillator Multitool VECTURO OSC 18v Li E-Basic

Precise cutouts on the scribe mark, precisely guided plunge cuts on delicate surfaces and working with minimal dust generation, even above head height: This is what the cordless VECTURO OSC 18 stands for. Furthermore, the StarlockMax tool holder makes it possible to change tools quickly without the need for additional equipment, while the brushless EC-TEC motor with vibration isolation ensures that work can progress at an ultra-rapid pace at the same consistently high level of comfort. The interplay with the sophisticated positioning and extraction accessories makes the VECTURO an intelligent system solution for most demanding requirements on performance, comfort and precision.

- The quick-change system with StarlockMax tool holder enables tools to be changed quickly without the need for additional bluey.
- Optional system accessories make it possible to create precisely guided plunge cuts and saw with minimal dust generation – even when working above head height.
- Noise and vibration damping for optimum comfort while working. The anti-vibration system ensures that the housing and motor are completely isolated.
- Brushless EC-TEC motor with variable speed control enables work to progress as quickly as possible.
- Complete cordless mobility thanks to the 18V lithium-ion battery pack.

Requires battery and charger (not included)
