Festool DF700 Domino XL Joining Machine EQ-Plus

Brand: Festool
Code: C5481

$2,668.75 +GST $3,069.06 incl. GST

Description

Festool DF700 Domino XL Joining Machine EQ-Plus

The DOMINO XL DF 700 joining machine allows the tool to come to the work-piece, instead of the work-piece having to come to the tool, allowing you to work up to 50% faster than a bench mounted tool. Scribing and set up time is drastically reduced and tiring transportation of materials is eliminated. It’s patented cutting motion and power make cutting smooth and easy, even in hardwood. Unbeatable joint stability and completely rotation proof joints make the DOMINO XL ideal for producing structural joints in solid wood. The innovative stop system gives quick, precise positioning in relation to a reference edge. Efficient dust extraction is provided when used with a Festool Dust Extractor.

Specifications

Motor Type	Brushed
Power Source	Corded
Power Consumption	720W
No Load Speed	21,000 rpm
Power Lead Type	Plug-it Lead
