Description

Festool ETS 125 Sander Plus Systainer

The compact ETS 125 has a 2 mm sanding stroke and is ideal for achieving an outstanding surface quality when finishing or pre sanding. Weighing in at just 1.2 kg with perfectly balanced weight distribution the ETS 125 has a compact ergonomic design making work easy and non tiring. Finish faster with up to 25% higher rate of material removal. The MMC control electronics ensures that no load speed equals working speed, transmitting the 250 W of power directly onto the working surface.
