Description

Festool ETS EC 150/3 Random Orbital Sander Plus Systainer

The perfect finishing sander in the compact class.

The Festool ETS EC 150/3 random orbital sander is the ideal sander for fine and extra fine sanding. It's compact and lightweight design makes all day work tireless. With an EC-TEC brushless motor, the tool uses power more efficiently and requires less maintenance. A Softgrip surface enables you to sand horizontal, vertical or overhead without exerting excess force. Vibration and extraction detection provides maximum safety. Used optimally with Festool Multi-Jetstream pads and abrasives, and a Festool Dust Extractor, the perfect, dust free finish is guaranteed with every job.

Main Applications

- Pre sanding of flat and curved surfaces
- Finish sanding on paintwork, wood and plastic
- Final sanding of fillers
- Fine sanding of mineral materials
