

Festool RTS400 REQ 1/4 Sheet Orbital Sander Plus Systainer

Brand: Festool
Code: C3066

\$608.00 NZD + GST

Festool RTS400 REQ 1/4 Sheet Orbital Sander Plus Systainer

Weighing in at just 1.2 kg with perfectly balanced weight distribution the RTS 400s compact ergonomic design makes work easy and non tiring. Finish faster with up to 25% higher rate of material removal. The new MMC control electronics ensures that no load speed equals working speed, transmitting the 250 W of power directly onto the working surface. Choose to use it with a dust extractor or long life dust catcher and attachable protector for careful sanding along window surfaces, frames and paneling. Clean working conditions are guaranteed when paired with a Festool Dust Extractor.
