Festool Renofix 130mm Brushless Diamond Grinder Sander RG130 ECI in Systainer

Brand: Festool
Code: C2429

\$1,780.25 +GST \$2,047.29 incl. GST

Description

Festool Renofix 130mm Brushless Diamond Grinder Sander RG130 ECI in Systainer

Features

Perfect substrate preparation is the prerequisite for a perfect result. With the RENOFIX RG 130 ECI surface-restoration grinder, you have a powerful and absolutely reliable helper for removing old coatings and adhesive residue on your side.

The brushless EC-TEC motor therefore finally allows you to work without interruptions, with the maximum service life. In combination with the CTM 36 AC RENOFIX mobile dust extractor, you ensure healthy working – good for you and your customers.

Powerful: The brushless EC-TEC motor works highly efficiently and ensures a high material removal capacity and fast work progress.

Reliable: Thanks to its outstanding power, the surface-restoration grinder works without overheating and interruptions.

Covered: fully covered by Festool Service upon registration within 30 days of purchase.

Adjustable: The speed can be flexibly adjusted between 2200 and 6500 rpm. The brushless EC-TEC motor thereby keeps the speed constant even in the lower stages.

Perfect addition: Outstanding dust extraction in combination with the CTM 36 AC RENOFIX mobile dust extractor.

Practical: Thanks to the Bluetooth® connection, the extractor can also be started automatically if the RG 130 ECI is inserted into another electricity source.

Flexible: Sanding the floor right up to the wall thanks to the brush segment.

Safer: The guide table allows the surface-restoration grinder to be guided steadily. What's more, the removal height can be variably adjusted.

Main applications

- The specialist for diamond tools
- The optimal solution for material removal during renovation and restoration
- For removing concrete, screed and coatings on tough subsurfaces
- For larger areas or selective applications on walls, ceilings and floors
- Always the suitable tool for every application and every material
