

Haydn Power Paint Mixer 1600W

Brand: Haydn
Code: C1953

\$200.00 +GST \$230.00 incl. GST

Description

The Haydn® Power Mixer 1600W is ideal for mixing dense and sticky materials. Mixing materials such as cementitious compounds, concrete, plaster, tile adhesives and mortars, as well as solvent free paint, varnish, resin and similar substances. It features a dual gear range selector enabling operation from 250 to 500 revolutions per minute or 400 to 800 revolutions per minute. It also has a heavy duty 140mm diameter two-piece mixing paddle and conveniently located variable speed control wheel - this practical mixer will save you time and effort.
