Description

Festool HKC55 18v Circular Saw Cordless in Systainer

Whether on the roof or on firm ground, whether reproducible angled cuts and guided cuts in combination with the FSK cross cutting guide rails and the FS guide rails or precise mitre cuts – the HKC 55 cordless portable circular saw demonstrates what modern circular saws are capable of. It proves it in every cut with its versatility, flexible usability and maximum precision day after day.

Main applications

- Rip and cross cuts in materials up to 55 mm thick
- Ideal for mobile use on work sites
- Cutting roof battens to length
- Sawing lining boards/shuttering to size
- Sawing boards to size
- Cutting chipboard to size

Batteries and charger not included.
