$675.65 +GST $777.00 incl. GST

Description

RUPES 150mm Electric Planetary Sander

- 150mm Velcro pad
- 5mm Orbit
- Variable speed
- 550W
- 2.7Kg
- Suitable for sanding large surfaces

High performance sander for heavy duty operation. The planetary movement maximizes removal power, whilst minimizing machining time. The ideal solution for roughing and preparing surfaces quickly without spreading dust, overheating or excessive surface aggression.

Equipped with a multi-function electronic module featuring speed regulation with torque control, soft start-up, and safety device in case of an overload.

This sander can be connected to an external RUPES dust extraction system; the connection sleeve includes an air flow regulation valve for controlling the suction effect.
