RUPES 150mm Electric Random Orbital Sander (6mm Orbit)

Brand: Rupes
Code: C3884-5

$616.52 +GST $709.00 incl. GST

Description

RUPES 150mm Electric Random Orbital Sander (6mm Orbit)

- 20% More cutting capacity compared to a traditional 5mm orbit
- 150mm Pad
- 6mm Orbit
- 550W
- 2.2Kg

Ultra-high torque for high removal capacity. Ideal for heavy duty applications where power and flexibility of the tools is required. The random orbital movement combined with ample torque make this an easy tool to use while offering excellent performance.

Features the Multihole Slim Pad, with reduced thickness, for increased stability.

Equipped with an anti-spinning system to reduce the undesired rotation of the pad and protect the surface from scratches. The best suited abrasive grain is between P180 and P360. This model can be connected to an external RUPES dust extraction system; the connection sleeve includes an air flow regulation valve for controlling the suction effect.
