Description

Makita 18V LXT 125mm Random Orbital Sander Kit

Push button control with on/off and high/medium/low speeds. Compact design with lower centre of gravity for easier handling. High orbital speed up to 11,000opm with 2.8mm orbit diameter. Pad brake prevents aggressive sanding on first contact. Hook & loop paper fastening system.

Specifications

Pad Size	123mm
Abrasive paper size	125mm
Weight	1.7kg
Voltage	18v
