

RUPES 125mm Electric Variable Speed Random Orbital Palm Sander Kit

Brand: Rupes
Code: C3882

\$484.35 +GST \$557.00 incl. GST

Description

RUPES 125mm Electric Variable Speed Random Orbital Palm Sander Kit

Kit includes the LR71TE Sander and the Systainer T-LOC, a revolutionary storage system for tools, accessories, and consumables. The Systainer T-LOC easy locking system is a modular system with the ability to stack additional cases on top of each other.

- 125mm Velcro Pad
- Variable speed
- 2mm Orbit
- 200W
- 1.15Kg
- Built-in vacuum/dust bag

The electronic module enables the operator to adjust speed, achieve maximum power, and maintain a consistent torque – even at low speeds.

Equipped with an anti-spinning system to reduce the undesired rotation of the pad in the start up stage, to protect the surface from scratches and scuffing.

The light alloy base plate ensures rigidity, reliability and durability over the long term.

Supplied with a built-in dust extraction bag or can be connected to an external RUPES dust extraction system.

Product Specification
