INTEX Ghost Drywall Sander & Starmix NSGADL 1432 Dust Extractor Combo

Code: C2761-K32

$2,495.00 +GST $2,869.25 incl. GST

Description

INTEX Ghost Drywall Sander & Starmix NSGADL 1432 Dust Extractor Vacuum Combo

Intex Ghost Drywall Sander

Industrial power sander designed to provide efficient and flawless sanding results for plasterboard walls and ceilings whilst extracting dust as it is generated.

Sander is also compatible for use in other industries with related surface applications, including cement sheets, concrete, or timber.

Its high-performance variable-speed motor is practically vibration-free and generates orbital disc speeds of 650 to 1600 RPM.

The lightweight, perfectly balanced design significantly reduces the effects of fatigue and repetitive strain injury (RSI). particularly during ceiling operations.
Sander features a unique multi-directional sanding head, eliminating surface gouging and ensuring maximum sanding efficiency. The long-reach design limits the need for stilts and scaffolding.

Starmix ANSG1432 Dust Extractor

Industrial grade wet and dry extractor specifically designed for the finest dust filtration – plaster dust. Industrial grade wet and dry extractor specifically designed for the finest dust filtration (ie plaster dust). Huge 7200cm2 polyester filter surface
