Description

Blundstone 883 Women's Safety Shoe

Lightweight comfort is combined with a composite safety toe and XRD® cushioning in the footbed and midsole, making them perfect for long days on the job.

Features

- Black breathable nylon upper, anti-static uniform safety jogger
- Lightweight, comfort fit designed specifically for women
- Grey, breathable, moisture-wicking lining
- Removable PU foam footbed with XRD® Extreme Impact Protection heel insert for greater impact absorption and comfort
- Anti-bacterial, washable and breathable footbed
- XRD® inserted into the forepart of the innersole
- Rubber outsole has a high coefficient of friction for increased grip/slip resistance and durability
- oil, acid & organic fat resistant

- heat resistant to 140˚C
- slip-resistant
- TPU toe guard and Heel skeletal Stabiliser
- Elasticated laces for quick fastening. Standard laces are also included
- Tongue pocket to hide laces and reduce trip hazard potential
- Ergonomically engineered toe spring for reduced wearer fatigue
- Nylon shank—ensures correct step flex point and assists with skeletal stability
- Airport friendly
- Broad fitting 200-joule impact-resistant composite toe cap, however, if your feet are exposed to the risk of repetitive impacts, penetration or cutting hazards or electrical hazards, then we recommend that you consider one of our steel safety toe boots as they may be more suited to your needs
