### Description

Our Hi Vis Bibs give you the edge when it comes to battling rain and wind and trying to stay safe. Set the length once and that's pretty much it. They also have adjustable waist belts, so you set the width and forget - until you need a little extra room.

Special zip placement for the boys allows easy access without having to take the bibs off for a toilet stop.

A handy pocket in the bib allows you to keep your notebook or phone good and dry.

Made in Vietnam.
