Description

The Yukon Anorak is definitely moulded in that great Kiwi working man's style. Big kangaroo pockets for stashables and vented bottom hems for extra leg movement. The scalloped back helps rain water drain off, while the cunning sleeve design means you can move your arms around like rotor blades.

Made from super abrasion resistant SWAZI HARDSHELL the Yukon will give you years of faithful service and tons of comfort no matter how tough or hard the job.

Made in Vietnam.
