Description

John Bull Python Safety Boot – 6506

Black nylon lace up safety boot with scratchguard

These are perfect if you work in an environment where you like to look good but don't need heavy duty footwear. They have a steel toe cap and other safety features so you're still protected, and are slip resistant to boot! Gotta be happy with that.

Excellent for the office/admin workers and those in the transport and warehouse industries

Features:

- Lightweight 1200D nylon cloth breathable upper – tough and durable
- 40% lighter than other John Bull safety styles

Product Specification
