

GVS Elipse P2 Respirator with Replacement Filters

Brand:GVS
Code: C1921-ML

\$77.90 +GST \$89.59 incl. GST

Description

GVS Elipse P2 Respirator with Replacement Filters

Compact, lightweight and flexible design which adapts and fits perfectly to the face and offers a full range of vision **without interfering with other eye or ear protection** which users are required to wear.

Large central non-return valve means lower breathing resistance for the user and keeps moisture build-up inside the mask to a minimum. Lightweight, non-slip strap that is easily adjusted in 4 positions for improved comfort and to allow safe use even in high humidity or wet conditions.

Properties

Effective against dust and fumes containing substances such as micro-organisms, marble, gypsum, titanium oxide, soapstone, rock wool, wood, detergents, textile fibres, spices, salt, animal feeds, etc.

Protects against dust that can cause lung disease. In particular, protects against coal, silica, cotton, iron ore, graphite, kaolin, zinc, aluminium dusts. Protects against harmful dusts such as asbestos, bauxite, coal, silica, iron, and against toxic dusts such as manganese, lead and chromium.

Pleated, interchangeable P2 filters have a minimum efficiency of 99,95% at 0,3 microns and a breathing resistance of 3 mbar at a flow rate of 47,5 l/min for each filter.

Characteristics

Product Specification
