

Bolle Komet Polarized Safety Glasses

Brand: Bolle
Code: C6551

\$71.00 +GST \$81.65 incl. GST

Description

Bolle Komet Polarized Safety Glasses

Komet has been specifically designed for an outdoor use. Its black wraparound frame provides a close fit to the face while its lens - available in CSP Smoke, Fire Flash & Polarized - guarantees the optimal protection against glares and UV rays. Because sustainability is at the core of our engineering process, Komet is using the most environmentally friendly molding technology, hence reducing energy and raw material consumption.

Standards: AS/NZS 1337.1:2010
