Description

QTECH Industrial Vented Helmet

Industrial Safety helmets are built with a cradle liner designed to absorb shock.

Certified to: EN397

Features

- Strong, light ABS plastic shell.
- Low-profile slots for clip-on hearing protection.
- Multiple clips hold head torch strap in place (Torch not included).
- Venting system allows a continuous flow of air across the head to keep the wearer cool and comfortable, while maintaining impact protection.
- Three-way adjustable nylon chin strap with robust, off-set clip.
- Headband ratchet wheel makes adjustment easy for a wide range of head sizes.

Suitable Applications

- Construction and building.
