Description

Zero Apex X2 Multi-Impact Helmet

The APEX X2 is a second-generation multi-impact tested helmet that truly looks and performs as an industrial helmet.

The X2 has a durable lightweight vented shell, which allows air to flow through the helmet while the front and rear height adjustable headband provides a secure and comfortable fit.

Multiple direct-fit configurations are available including visors, protective visor covers (with headlamp attachment), integrated Cap-Attach slots for hearing protection & face visor assemblies.

Features & Benefits

- Side ventilation.
- Front and rear height-adjustable headband.
- Removable and washable textile inner padding.
- Dielectric with no metal parts.
- Replaceable internal padding.
- Replaceable adjustable wheel ratchet system.
- 4-Point Adjustable chinstrap cross-over chin strap with quick a release buckle. (chin strap releases at min. 500 N).
- Integrated Cap-Attach slots for direct fit hearing protection.
- Direct-fit visor and visor cover configurations (sold separately).
